

# JACK-O PUMPKIN - BOM quilt drawing

Due Nov. 9, 2023

Make a 12.5" Square. Choose your colors (bet you can find some in your stash - 😊), and as it's a pumpkin, start with oranges – haha!. However, **the background pieces should be a light beige solid or small print**. It's suggested that fabrics be pre-shrunk with starch/steam before cutting. Check out the pictures and cut carefully.

## Cut the following:

Background beige: cut 4 B pieces 3.5"x3.5" (draw diagonal sewing line on back)  
cut 2 D pieces 2"x2"  
cut 2 E pieces 2"x3.5"

---

Light Orange-A: cut 2 A pieces 3.5"x11"  
cut 4 D pieces 2"x2" (draw diagonal sewing line on back)

---

Medium Orange-C: cut 2 C pieces 2"x11"  
cut 4 D pieces 2"x2" (draw diagonal sewing line on back)

---

Dark Orange-C: cut 2 C pieces 2"x11"

---

Stem: cut 2 D pieces 2"x2"

---

## Sew these units:

1. Place each of 4 background beige B pieces onto each end of both Light Orange A pieces, and sew on drawn line. Trim 1/4" from line. Flip open and press.
2. Place each of 2 background beige E pieces onto top of both A-B units from step 1, open & press.
3. Place each of 4 Light Orange D pieces onto ends of both Medium Orange C pieces, and sew on drawn line, noticing directions of lines on each piece. Trim 1/4" from line, open & press.
4. Repeat step 3, using Medium Orange D pieces. Place on ends of Dark Orange C pieces, and sew on drawn line, noticing directions of line on each piece. Trim 1/4" from line, open & press.
5. Sew background beige D pieces onto top of both Medium Orange C/D units, AND sew Stem D pieces onto tops of both Dark Orange C/D units as shown in photo.
6. Final step - join all the units to form the pumpkin, and press.

**Put your name tag on the block** so you can be entered into the drawing.

See ya at the meeting!
