

## Bionic Gear Bag – Supply List

[Purchase Pattern Here](#)

- Fabric - 1 yard if using one color
- Exterior Batting - a 10" by 17" piece
- Interfacing for linings (Pellon SF101 Shape Flex) - 1 1/2 yard
- 22" Polyester / Nylon Zipper for Exterior - 1\*
- 9" Polyester / Nylon Zipper for pockets - 4
- Thread
- Sewing Machine Needles – size 90/14 to 100/16
- Optional: 2 snaps for attaching fabric dish to "The Box"/interior front flap.

Prepare pieces before class:

1. Please pre-cut and label all of your pattern pieces (**except for the side panels**-these will be cut in class)
2. Fuse the Shape Flex interfacing to the corresponding fabric pieces.
3. Quilt the exterior fabric to the batting (no lining-not a quilt sandwich)

If you have any questions regarding the supply list or preparation, please contact Rhonda Chapman at (909)957-8836.
