Mystery Quilt

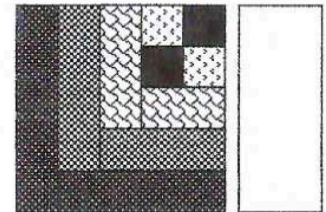

STEP #5 Extended Cabin Blocks

Quilt A, B, & C

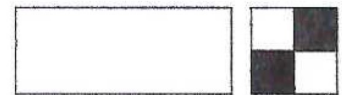

For Quilt A will make 18 blocks.

For Quilt B & C will make 8 blocks.

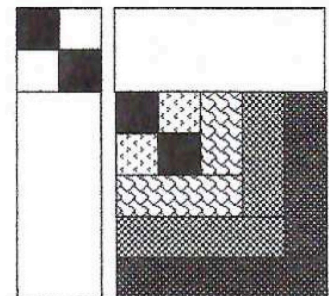

1. Sew a light $4\frac{1}{2}$ " x $10\frac{1}{2}$ " rectangle to the side of each log $10\frac{1}{2}$ " log cabin block as shown here. Press to the light rectangle.

2. Sew a light $4\frac{1}{2}$ " x $10\frac{1}{2}$ " rectangle to the side of each light/black $4\frac{1}{2}$ " 4 patch block with the black square on the left as shown here. Press to the light rectangle.

3. Sew the units together as shown here. Sew the long piece to the other side of the cabin block so that the black squares line up. Press to the light rectangle.

Step 3: Square each block up to 14 1/2" x 14 1/2",
your blocks will look like this.
