

## **Lighter Than or Darker Than—How to Use VALUE to Enrich your Quilts**

**This class will help you understand how Value is the only art element that we can see. Even more important than color.**

### **Things you will learn:**

- 1. Compose a value grid**
- 2. Learn to use a color to decide value**
- 3. Participate in an activity experimenting how value can change a color**
- 4. How knowing value can help choose the colors of your next project**

### **Supplies to bring:**

- 1. Set of graphite pencils and a sketch pad, 5x7" or whatever size you have, plus an eraser**
- 2. Color wheel or Color Tool if you have one**
- 3. Solid colorfat quarters or scraps or colored construction paper**
- 4. Scissors, glue stick**
- 5. Note pad/pencil**

**You will develop the tools to make your art and quilts sing louder!**
